Cheques should be payable to Darlington Cycling Club.

For those joining after 1<sup>st</sup> October in any year the payment covers the following year's full subscription. Once a member the annual subscription must be paid by January in every year, if payment is not made your membership is, technically, void.

Membership will be confirmed following a vote by those full members present at the members meeting.

**Member Insurance: It is a condition of joining the Club** that all members must have a minimum of 3rd party insurance to the value of £10 million; this can be taken out with various cycling organisations, including Cycling UK, and British Cycling. If you require more information about this, please speak to the Membership Secretary or any club official.

Affiliated membership of Cycling UK, including insurance, is available for £26.00 per annum, payable with the annual subscription or via the Cycling UK website. For further information contact the Membership Secretary or a member of the committee.

**Club activities (e.g. club runs):** In the event of an emergency, club members will give as much assistance as possible but neither the club nor its members undertake any responsibility for your safety, you must assume full responsibility for your own safety and compliance with the law of the land relating to road travel.

You must ride in accordance with the DCC Road Discipline and Risk Assessment documents and follow instructions issued/given by the Ride Leader

**Safety & Behaviour:** It is strongly recommended that a cycling helmet be worn at all times during cycling activities. You are required to ensure that your bicycle is roadworthy and legal and has the necessary kit and provisions to take part in the ride, and you are confident in riding a bicycle. Any member who persistently misbehaves, including use of abusive or threatening language, or put others in danger will be asked to leave an activity and will not be allowed to continue. In this event the club reserves the right to terminate their membership with immediate effect.

**Club membership card:** A membership card will be issued to you if you request one. It will display your name, address, ICE (In Case of Emergency) phone number and contact name on one side of the card, and Darlington Cycling Club name and the year valid to on the other.

**Identification:** You should carry some form of identification with you on all rides. This should include your full name and an ICE number. It can be the membership card (as above) but there are various other physical items such as tags or bracelets which could be used. It is not sufficient to simply have a mobile phone or other electronic device which may be inaccessible or broken in a worst-case scenario.

I confirm I have read and understand and will comply with the DCC Road Discipline, the Generic Risk Assessment, the DCC Safeguarding Policy documents, and the Group Riding Etiquette, all of which can be located on the club website below.
